## PROFILE

Hard-working and eager to learn young filmmaker, currently enrolled in an MA Filmmaking degree at the world renowned London Film School. Prior to this, Peter has worked as a key asset in the video production sector for audit giant PwC, as well as studying at the prestigious National Film and Television School, Beaconsfield, United Kingdom. He was also a part of the esteemed "Enterprise by Design" internship organized by Pontio Arts and Innovation Centre, in partnership with Bangor University, in 2020.

## EDUCATION

### MA Filmmaking , London Film School , London

January 2023 — Present

Chosen for an MA Filmmaking degree at the UK's oldest film school, specialising in training students for the film and television industry, many of whose works and contributions annually qualify for top festivals such as Locarno, Berlinale, Edinburgh and LaCinef.

Experienced with camera operating (both digital and film), editing with industry standard AVID Media Composer editing software among other specialist roles.

### Certificate in Filmmaking, National Film and Television School (NFTS), Beaconsfield

October 2021 — April 2022

Selected for an annual certificate program in Filmmaking at the NFTS, Beaconsfield, United Kingdom.

### Bachelor of the Arts - Creative Studies BA (Hons), Bangor University, Bangor, Wales

September 2018 — July 2021

Obtained a First-Class Honours degree classification in Creative Studies, a bachelor's degree consisting of modules in Practical Filmmaking, Animation, Film Distribution & Marketing, Video Game Design and Contemporary Theatre Practice.

## EMPLOYMENT HISTORY

### Video Production Intern at Price Waterhouse Coopers, Luxembourg

November 2021 — April 2022

Part of the core video production team at PwC Luxembourg, specializing in creating and delivering high-end video content for clients, many involving major international players. These include, but are not limited to - shooting advertising campaigns, webisodes, news-style reports, major company events, interviews and various conferences among others.

Experienced in live broadcast recording and MCR operation, camera operating, teleprompter directing, podcasting as well as all major forms of post production processes including editing, minor animation and vfx work and graphic design done through the Adobe suite.

### Content Creator (Part-Time) at Filmzie , Bratislava, Slovakia

October 2020 — October 2021

Video content creator for the Filmzie streaming network's dedicated YouTube channel; creating added value content videos, that pertain to filmmaking techniques found within the films the company's catalog has on offer. This entails namely writing scripts, editing, creating special effects through Adobe After Effects software and various voice over work.

Filmmaking and animation  
Amateur photography  
Alternative music  
Contemporary literature  
Vintage fashion

## INTERNSHIPS

### **Student Intern at Enterprise by Design, Bangor, Wales, United Kingdom**

January 2020 — April 2020

Part of Enterprise by Design, a 10-week long annual event, organised by Bangor University and Pontio Arts and Innovation Centre in conjunction with local businesses in North Wales, bringing students from four different disciplines - Business, Science, Arts, and Engineering - together to form teams and create innovative ideas that will help enhance the local economy.
