Key Strength

Creativity: The ability to think creatively and come up with innovative ideas and designs for both static and dynamic visual content.

Attention to detail: A keen eye for detail and the ability to ensure that all visual elements are consistent, aesthetically pleasing, and error-free.

Adaptability: The ability to adapt to new technologies, tools, and trends in the field of video editing to ensure that you stay up-to-date and relevant.

Languages

English
Hindi
Marathi

To secure an entry-level position as a video editor in a dynamic organization where I can utilize my creativity and technical skills to produce engaging video content. With a strong foundation in video editing software and techniques acquired through my education, internships, and personal projects, I am eager to learn and grow as a professional video editor.

Experience

Jul. 2019 - Oct. 2022 *Sigma Techinfra Solutions (India) Private Limited - Mumbai, Maharashtra*

As a Control Room Operator

- Monitored emergency situations and coordinated response efforts to natural disasters, such as accidents, hurricanes, floods, and wildfires. Collaborated with first responders and other stakeholders to ensure a timely and effective response.
- Communicated critical information to emergency responders and other stakeholders during high-pressure situations. Utilized advanced communication tools and technologies to provide real-time updates and coordinate response efforts.
- Managed multiple tasks simultaneously, including monitoring incoming emergency calls, dispatching emergency services, and maintaining detailed records of incidents and responses.
- Trained new control room operators and provided ongoing support and mentorship to team members.

Oct. 2018 - Apr. 2019 *Tele calling BPO - Mumbai, Maharashtra*

As a Telecaller

May 2015 - Jun. 2018 *Encroachment Department - Mumbai, Maharashtra*

As a Personal Assistant

Education

2020	Bachlor of Commerce (B.Com) Mumbai University
2012	H.S.C. Mumbai University
2010	S.S.C. Mumbai University
