A highly motivated and creative illustration graduate. I currently work in retail and freelance illustrate on the side, running my own Instagram and website. I like to design my work aesthetically, specialising in portraiture and digital art. My design based degree has allowed me to develop my technical skills and to pursue my interest in developing exciting new ideas and projects. I'm looking for a new, creative role to challenge myself and take the next steps in my career.

Education

Birmingham City University

September 2018 - June 2021
