Employment History

Studio Assistant: Build A Rocket Boy

October 2022 - Present

Responsible for a wide range of functions within a busy game studio including event management, talent acquisition, interior design for new office spaces, events, and interviews. Frequently pitched, researched, and planned ideas and events to improve the office environment and employee satisfaction or engagement.

Front Desk: Lloyds Bank Group

April 2022 – October 2022

Worked in a professional office environment. Assisted with event and interview room layouts. Assisted with budgeting, travel arrangements, scheduling meetings, greeting visitors, and writing emails.

Operative: Newington Library COVID-19 NHS Testing Centre

August 2021 - March 2022

Worked in a high-pressure environment. Followed strict health and safety rules whilst delivering clear instructions and protocols for the tester's delivery.

Kitchen Designer: Jonas and James Kitchens (The Range)

November 2020 - December 2020

Christmas temporary work in a busy kitchen design environment during the re-opening of the sales floor after the Covid-19 pandemic. Assisted with bathroom and wardrobe sales designs, created custom-fit spaces within the company's products and services, managing budget, design trends and requests from the clients.
