Experiance

UX Intern at Idea poke

Oct 2022 - Jan 2023

Idea poke, a SaaS company on a mission to redefine the way organizations do strategy and innovation by using the power of AI/ML intelligence.

worked in signal(research tool)

I collaborated with the UX team to iterate on designs, incorporating feedback from both users and stakeholders, and ensuring that the final product was intuitive and user-friendly.

Collaborating with cross-functional teams, including product managers, developers, and designers

I helped creating prototype and user flows.
