Experience

Microsoft
Data and Applied Scientist II
February 2022 - Present (1 year 6 months)
India

upGrad
Mentor
May 2020 - Present (3 years 3 months)
India

Weekend classes as an Upgrad Xpert Mentor

(Technical)for Data Science students who are

currently pursuing their PG Diploma from

IIIT-B & Upgrad

❖ As Mentor, I support and guide students that are part of Data Science Career track to transition into a career in Data Science.

❖ Role involves keeping track of each student's Progress with the curriculum, discussing and evaluating assignments and projects, as well as guiding them to complete multiple capstone projects.

Nagarro
Associate Lead data scientist
February 2021 - February 2022 (1 year 1 month)
Gurugram, Haryana, India

Worked on end-to-end optimization problem for Ecommerce in supply chain domain using linear optimization algorithm in python.

Gartner
Data Scientist
May 2018 - January 2021 (2 years 9 months)
Gurgaon, India

1) Worked on text Analytics use cases: Email summarisation, Resume parsing, and scoring tool
2) Worked on Data Mining use cases: Subscription Prediction

GE
Data Science Specialist
July 2016 - May 2018 (1 year 11 months)
Bengaluru Area, India

Worked on data mining use cases:

1)increased the yield rate of the industrial capacitor manufacturing process
2) propensity to win opportunity in sales.

TechGig
Won Geek Goddess 2018-Data Science
February 2018 - February 2018 (1 month)
Bangalore

Won First Prize across India in Geek Goddess 2018-Data Science

infosys R & D
Internship
January 2016 - June 2016 (6 months)

_____

Education

International Institute of Information Technology Bangalore
Master's degree, Data Science

UPTU
Bachelor of Technology - BTech, Computer Science
